DETAILED PRAYER BURDENS

International:

The Lord's Move in Lyon, France (see report below)

- ☉ Please pray that many French-speaking young people will be raised up in the "pipeline" to attend the full-time training, and that many native French people will be gained by the Lord to become pillars for His corporate expression in France.

The Lord's Move in Africa:

Conference in Ethiopia, April 13-15

Please pray that:

- ☉ The Lord would richly bless these times of gathering with His rich presence and up-to-date speaking.
- ☉ The word spoken would be full of the Lord's rich anointing, releasing His particular burden for the churches and saints in this part of the earth.
- ☉ The word released would cause an advance of the Lord's move in the churches in Africa for the building up of the Body.

Re-speaking of the ITERO Messages in Accra, Ghana

From April 9-11, brothers from a number of West African countries will gather in Accra, Ghana to be under the speaking and leading released in the most recent ITERO.

Please pray that:

- ☉ The Lord would have a free way to speak whatever He wants to speak during this time.
- ☉ The brothers would be open, empty, exercised to receive whatever the Lord would speak.
- ☉ The Lord would use these gatherings to bless the churches with life and with increase for His testimony.

Local: Southern California

- ☉ Pray for the Junior High Conferences and the Southern California College Conference all taking place this weekend.

REPORT FROM LYON, FRANCE

The following are excerpts from a report from the saints in Lyon, France:

Update on Lyon, France — March 25, 2012

We brothers here in Lyon are burdened to have more fellowship and blending with all of the churches. We would like to open up, under the Lord's covering, our special need of prayer in Lyon.

Our current situation—The meetings on the Lord's Day average 28 to 35 participants. This number is made up of five families, some young working saints, and some college students. However, we are caring for a total of 70 brothers and sisters, including many new ones, young people, and saints in localities outside of Lyon where there are individuals or small groups of saints but no established church yet.

Europe in general, and France in particular, is an extremely difficult place to live due to the extremely high cost of everything and the lack of economic opportunities for almost all of the saints. Many, and perhaps all, of the saints struggle daily with two things: 1) finding and maintaining the appropriate visa, residency, or citizenship status to live, work, or study here, and 2) how to make enough money to pay the bills and the high taxes here. Very few have a stable long-term situation with regard to these two matters. This makes every aspect of serving here more difficult.

Notwithstanding, we can testify to the Lord's faithfulness to somehow provide the

daily miracles that are needed for our going on. These two matters are often the subject of our prayers for various saints in France. Thank the Lord for so many answered prayers so far. But this is not our main burden.

The beginning of a "pipeline"—Recently, the Lord has raised up three young saints from here who wish to participate in the full-time training. One sister is already in the FTT in Mexico City because her native tongue is Spanish. Two others are wishing to begin the training this fall in London. We are burdened to support them through prayer and practically, but we may come short over the next 2 years if we don't share this burden with the Body. The beginning of a "pipeline" of French speakers who are heading to the full-time training is being formed now. How much we want to see this first generation of young people who have a heart find a way to answer the Lord's call! They will become a wonderful pattern to many other young French-speaking saints in college and high school who also have heard the Lord's call in their heart to go to the training one day. In a few years there could be a whole army of lovely young people going forth into the French-speaking world. This is our "dream" from the Lord. We would ask you also to pray for this. We hope that you will enter into this dream, which we believe is something of the Lord's dream.

REPORT FROM LYON, FRANCE (CONT'D)

(Continued from page 1)

Local ones to be future pillars of the church—A second main burden is the shepherding of our contacts who are local French speakers. Altogether we have 17 people that we are contacting regularly who speak French as their native tongue. A few have already entered into the church life and are already functioning in the church life, but the majority are in various stages. Since the majority of the saints

meeting regularly are not native French, there is always the probability that most of this majority will one day leave France and return to their native countries. Where then will the Lord's testimony be in France? If native French people are not gained by the Lord and constituted to be overcomers, our labor here will fall short. Please join us in praying that many of these ones will become living stones for His building.

SPRING 2012 PROGRESSIVE DINNER

On Saturday, April 28th from 5:00-8:30PM, we will have our Spring 2012 Progressive Dinner. We need your help for this time and here is what we are looking for:

- ⊗ 8 families to host 10-15 people for Appetizers.
- ⊗ 10 families to host 10-15 people for Main Course. We need more homes for the Main Course since the trainees will be joining at this point.
- ⊗ Approx. 12 brothers & 12 sisters to serve as drivers.
- ⊗ Approx. 10 saints to bring dessert for 10 people (dessert will be altogether at Hall 3).

Please let us know if you would like to participate. This is a wonderful way to write all of our precious YP on your heart! We'd like to have all of these slots filled by next Lord's Day 4/15.

The theme for this time will be "Living a Life for the Lord." We are planning to cover the biographies of Hudson Taylor, M. E. Barber, Watchman Nee, and Witness Lee during the course of the evening. We will prepare invitations for the YP to invite their friends as this time will also be a good gospel opportunity.

If you can help in any way or for any further questions, please contact Isaac Acosta at isaac.acosta@gmail.com.
