DETAILED PRAYER BURDENS

International: The Lord's Move in Lebanon and the Middle East (*see report below*)

- ⊗ Please pray that the Lord will keep the door wide open for the gospel of the kingdom to be preached at the university in Beirut and that no man will shut this door.
- ⊗ Pray that the hearts of the students will be softened by the Lord to receive His word and be brought to Him in salvation.
- ⊗ Pray that the saints in Beirut will realize and grow into the experience of shepherding others in life.
- ⊗ Pray that word of the Lord will run in the Middle East and branch over every wall for the spread of the testimony of Jesus.

The Lord's Move in Africa (*see report below*)

- ⊗ Pray for the advance of the Lord's recovery in Africa in recovering the genuine oneness of the Body through the rich dispensing of the Triune God.

- ⊗ Pray that the Lord's kingdom would spread into every part of Africa and Satan's kingdom would suffer loss throughout that continent.

National: New Gospel Video

Bibles for America recently began experimenting with new means to spread the gospel of the kingdom and the word of truth in a more widespread way. One of those means is short gospel videos on YouTube. On May 4, BfA released a three-minute video called "The God-shaped Vacuum." This video presents the high gospel by showing that man's third part—his human spirit—reveals the meaning of his human life. In its first two weeks on YouTube, the video was viewed over 17,000 times in roughly 90 countries.

- ⊗ Please pray that the Lord would speak through this video to bring many to receive Christ as their Savior and life.
- ⊗ Pray that many Christians who see this video would be burdened to share it with their friends and family whether through e-mail, social networks, or face-to-face contact.

REPORT FROM LEBANON AND THE MIDDLE EAST

Dear saints,

May you all be encouraged to continue to pray for the Lord's move in Lebanon and the Middle East. The response to last Monday's gospel presentation in the two philosophy classes was more than we expected. All 60 students were very attentive the entire time. After the half hour presentation on the three parts of man and the meaning of the universe, the students asked seeking questions like: "How can I talk to God?", "How do I know I am using my spirit?", "How can God live in me?" It was obvious to us that the prayer prepared the hearts of these young people. We were so

warmly welcomed that both classes requested another time together. Two other philosophy professors heard of the students' response and requested that the same presentation be given in their classes in a few weeks. We thank and praise the Lord that through the prayer of the Body of Christ, the Lord delivered the Rhema book shipment to our distribution center in Beirut in spite of the many logistical frustrations. Praise the exalted and victorious Christ on the throne!

Your fellow enjoyers,
The church in Beirut.

UPDATE FROM THE DEMOCRATIC REPUBLIC OF CONGO, AFRICA

From April 25, 2012, the Lord opened a gate of fellowship with the saints in Kivu, in the Democratic Republic of Congo, who had been meeting as the local churches in their respective localities for over a decade. By the Lord's sovereignty, the ministry had reached this region in the early 1990's through the books, *The Normal Christian Church Life* and *The Normal Christian Life*. These saints began meeting according to the heavenly pattern set forth in these books. Since then, they have sought fellowship with believers in other localities that have seen the same vision.

From 2010, they began to attend conferences in Kampala. This was the first time they were visited by the saints from the rest of the churches. We praise the Lord for His recovery in DR Congo. The Lord has been raising up many in this region to take this way apart from human organization and manipulation. They are grateful to the Lord for opening up gates of fellowship with the rest of the Body.

Saints are meeting in this way in over 19 localities in this region:
