## DETAILED PRAYER BURDENS

**International:** Summer Training—Crystallization of Genesis

- ⊗ Pray for the operation of the Lord to follow His speaking in the recent Summer Training, that the word released will operate in the saints in all the churches to bring us on to maturity, that there would be the overflow of life in blessing others, and that there would be the building up of God's house and kingdom on this earth.

**National:** Summer College Trainings at Occidental and Big Bear—July 7-13

This week around 430 college students will gather for a one week training covering the topic *The Humanity of Jesus*. This will be the first time having two trainings on the west coast. There will be 320 students in Occidental and 110 students in Big Bear.

- ⊗ Pray for a strong beginning of the training in Big Bear.
- ⊗ Pray that the students would be impressed and inspired by what kind of man the Lord Jesus was, that they would desire to be constituted with the Lord's glorious humanity, and that they would see their need to eat His humanity in a daily way.
- ⊗ Pray that all the brothers' sharing would supply God's breath to the students so that they would receive spirit, life, and Christ.

**Local:** Irvine Summer School of Truth—July 14-26

The young people will be having their Summer School of Truth from 7/14-7/26. The junior high students will be covering *The Triune God and the Person and Work of Christ*. The high school students will be covering *The Bible-The Word of God*.

- ⊗ Pray that there would be an adequate atmosphere for the Lord to dispense in an unhindered and unrestricted way.
- ⊗ Pray that the young people would be brought into an experiential knowing of all the truths that they will hear.
- ⊗ Pray that the serving ones and college students would be blended into one in their prayer, coordination and service in this year's SSOT.

May the Lord be satisfied with the Summer School of Truth this year.

## BANNERS FROM THE CRYSTALLIZATION-STUDY OF GENESIS (3)

Jacob's dream was a dream of God's goal,  
the dream of Bethel, the dream of the house of God,  
which is the church today and which will consummate in the New Jerusalem  
as the eternal dwelling place of God and His redeemed elect.

After we experience the breaking of our natural life  
and undergo transformation for God's building,  
we will make a crucial and radical turn from the individual experience of God  
to the corporate experience of God—the experience of God as the God of Bethel.

When Jacob prophesied concerning his twelve sons with blessing,  
he was a God-man, a man filled, constituted, permeated,  
and even reorganized with God;  
whatever he thought was God's thought, and  
whatever opinion he expressed was God's opinion.

God's intention in creating man in His image and in giving him dominion  
was that man would become a reproduction of God for His corporate expression  
and would exercise God's authority  
to deal with the enemy, recover the earth, and bring in the kingdom.
