## DETAILED PRAYER BURDENS

**International:** The Lord's Move in Italy (*see report below*)

- ☉ Please pray that the university students who have been gained for the recovery and have moved away from Rome will be preserved by the Lord and kept in the fellowship of the Body.
- ☉ Pray that more students will be added from the campuses in Rome.
- ☉ Pray that Italian families from the local communities will be added through the Bible studies in the homes.
- ☉ Pray that many who have received the ministry through Rhema will be shepherded into the church life.

**Local:** UCI College Work

- ☉ Pray that all the students, families and full-timers involved in the campus labor will be richly supplied by the Lord's all-sufficient grace to labor in the follow-up and care of all those being contacted on the campus.
- ☉ Pray that those being contacted will "taste" the Lord in such a way that He would become their true enjoyment and that they would desire the corporate enjoyment of the church life in the homes and meetings of the church.

## UPDATE FROM THE CHURCH IN ROME

Dear Saints,

We are writing to give a short report and request for prayer for the labor in Rome, Italy. There are currently fifteen to eighteen saints meeting on the Lord's Day. We have gained as many as seven young people from the Rome campuses; however, most of these have migrated to other localities for graduate studies, and one is planning to attend the Full-Time Training. We have two Romanian families who have begun to come to the meetings, but we are especially burdened to gain more Italian families. We have many contacts in the communities with whom we have built relationships.

While we will continue to go to the campus once a week for Bible distribution, we feel to focus on building up four home meetings and inviting local contacts. We are preparing an invitation to study the Bible, which we will give to those living in our respective apartment buildings. For this we desperately need the

prayer of the Body, so please pray that families from our local communities will be added to these four home meetings. Please also pray that more young people from the campuses will be added to the church in Rome.

The brothers laboring in Rome

P.S. Rhema has 6,887 requests, 2,924 names, and 4,052 order fulfillments, all from people living in Italy. As little as two years ago we had zero Rhema distributions. We look to the Lord that many of these could eventually be added to the churches in Italy.

This year the church in Irvine will again host the High School Brothers Conference from Oct. 31-Nov 2. As the hosting church, we feel this is a great opportunity for us to care for these young people by bringing them into our homes and into our hearts, to love them, cherish them in the Lord, and to attract them to the church life. May we all take advantage of this weekend to set everything else aside and

focus our care on the young people to gain them for the Lord's interests on the earth by opening our hearts and homes to receive them.

We need 40 homes for hospitality and as of right now we only have 5 so there is a need for 35 additional homes to provide hospitality. Please sign up to open your home at [www.irvineyp.com/hospitality](http://www.irvineyp.com/hospitality) or contact Isaac Acosta at 516-204-2332 for details.
