Two weeks ago, 21 local saints distributed free Bibles and books at the Tucson Festival of Books, the nation's fourth largest book festival. - ☉ Pray that the spirit of the gospel would be intensified in the church here and that the saints will all be revived to live a life for the furtherance of the gospel, a gospel-preaching life, in vital groups to shine as luminaries in this city.

## GTCA TESTIMONIES

Many of the Irvine-sent trainees participated in the recent GTCA sowing trips and wrote testimonies regarding their experiences. This week's testimonies are from trainees who went to St. Louis (Missouri), Vancouver (Canada) and Worcester (Massachusetts).

### St. Louis

The highlight of the gospel trip was spending time with the contacts from the universities we labored on. Not only was it awesome to feed them with the precious truths in the Recovery Version but to cherish them as nursing mothers with such a joy. The Lord has really written these ones on my heart and it was so difficult to leave them and come home. Praise the Lord, although I can't be there physically

right now I can pray and intercede for them. The Lord has been doing so much since the trip. In particular, one new one I had several appointments with has been connected to some of the local saints and came to a home meeting on Friday. The Lord is so faithful!—C.F.

### Vancouver

Our Lord is a moving God and He desires to increase, enlarge, and expand all over the earth. To be a part of the GTCA trip is such a privilege and a blessing. I really saw the oneness of the Body as we were all doing the same work, moving with the same Lord in all of us. I enjoyed learning the importance and signifi-

## GTCA TESTIMONIES (CON’T)

cance of coordination and fellowship with all the members. I just saw how organic the Body is! Everyone is in direction of the Head and are one with one another, moving together to do the will of the Lord. May the Lord continue to work through the Body to gain so many for the building up of the Body of Christ that He would have an expression all over America to quicken His return.—S.H.

### Worcester

Praise the Lord for His move all over North America. My first sowing trip to Worcester, MA was a sweet and eye-opening experience. The saints in Worcester were all prepared in receiving us, making sure that all we had to do was to cooperate with the Lord in His work. The whole team got to eat dinner everyday together, allowing us daily opportunities to usher our contacts into a loving home where we would have much singing, testimonies and sweet fellowship. It was the practice of the God

-ordained way! Some contacts were brought in a solid way through these dinners and even became our co-workers in gaining students in their campus.

I got to experience first-hand that much of America needs the high gospel, the truth and the church life. We had many opportunities to speak to all different types of Christian believers and non-believers. I appreciate that there may be all sorts of philosophies and beliefs in the world, yet only God’s word is truth (John 17:17). We need to speak Christ into others as the truth in this world. This sowing trip was the sowing of God’s word into men. Quoting from the banner of the recent International Chinese-speaking conference, “If we let the word of Christ dwell in us richly and if we speak for God, the word of God will grow, multiply and prevail.” May the word of God continue to be sown into all America and may it grow, multiply and prevail in this country.—E.C.
