Morning Revival

The Recovery of the Priesthood for God's Building, Week 2 (Spring ITERO)

DETAILED PRAYER BURDENS

International: The Lord's Move in France (see report below)

- ⊗ Pray that the Lord will continue to sow the seed of the ministry publications and the Recovery Version so that the Franco-phone world can be "filled with the knowledge of Jehovah / As water covers the sea" (Isa. 11:9).
- ⊗ Pray that the recently contacted native French speaking saints would receive a vision of the Lord's recovery and be brought into the enjoyment of Christ and the church life in France.

The Lord's Move in Haiti—a French-speaking country

Saints in Irvine have recently had fellowship with saints from Haiti who have recently touched the ministry of the age and are hungry

for the riches of Christ dispensed through the ministry.

- ⊗ Pray for the Lord's move in Haiti that a door for the word of God's New Testament economy would be opened to this country and many in Haiti would be enlightened to see the economy of the mystery and be brought under the divine dispensing for the practical Body life and the Lord's testimony in that country.

The Need for a New Revival

- ⊗ Pray for a new revival - a revival which has never been recorded in history, that such a revival would be realized by the saints in the churches aspiring, praying and cooperating with the Lord that He could gain His counterpart, His match for the fulfillment of His eternal economy.

HOSPITALITY NEED FOR SAINTS AND SERVING ONES FROM INDIA

The church in Irvine has the opportunity to provide hospitality for saints and serving ones from India who are coming to attend the up-coming Summer Training. Normally very few from India are able to attend the semi-annual trainings but this summer there are 10 brothers and 2 couples coming to attend the Summer Training.

As many of the saints in Irvine have pre-arranged hospitality for guests who personally

contact the saints, we would ask the saints to be open to this need and receive the grace to accommodate 1 or 2 more saints from India into your home. The fellowship in the Body is a wonderful reality and providing hospitality is a very practical means to enjoy this fellowship.

Please contact Edward Wang (949-572-1383) or Dave Beckman (949-300-7451) by Lord's Day June 7, if you are able to participate and help in this need.

REPORT ON CONFERENCE HELD IN PARIS ON APRIL 25-26, 2015

Before the conference we had a lot of prayer. The saints in Paris were in one accord to participate in different service groups for the preparation of the glorious conference. We really felt that a royal priesthood was being raised up gradually.

In the conference we greatly enjoyed the Lord's blessing. Over 400 saints registered for the conference, and at least 330 attended in any given meeting. Nearly 100 of the attendees came from French cities outside of Île-de-France, including Amiens, Behren-lès-Forbach, Bordeaux, Dieppe, Grenoble, Guadeloupe, Le Mans, La Rochelle, Lille, Lyon, Montpellier, Nancy, Reims, Toulouse, and Vichy; and nearly 100 visited from other countries, including the Ivory Coast, Belgium, Switzerland, the UK, the US, Canada, Singapore, and Africa. 160 attendees were from Paris and other cities in Île-de-France. At least 45 of the attendees were native French new ones who attended this conference for the first time.

The ministry was from the messages of the recent Chinese-speaking conference in Taiwan, with the subject of "The Main Contents of the Lord's Recovery." This was a timely word for all who attended, both new and old. We are all touched by the unchanging nature of the Lord's recovery. The nature and content of the Lord's recovery is Christ as life, the ground of the Lord's recovery is oneness, and the constitution of the Lord's recovery is truth. Even those who had enjoyed the messages in Taiwan testified that they received more light and revelation by hearing them for a second time.

The atmosphere was marvelous—full of joy. The speaking was very touching, and the response from the saints was overwhelming. In order to let all the saints share after the messages, we had to limit the time for each one to 30 seconds for most of the meetings.

In addition, we had a young people's meeting on Saturday afternoon with approximately 50 attendees who were under 25 years old.

REPORT ON CONFERENCE HELD IN PARIS ON APRIL 25-26, 2015 (CONT'D)

(Continued from page 1)

They enjoyed an encouraging word concerning preaching the gospel to their classmates and friends.

Many of the newer French saints were first contacted through the literature work either directly or indirectly. Some Bibles for Europe contacts attended the conference. A good number of these were genuinely touched by the content of the messages. A vision of the Lord's recovery is crucial for so many new ones, even those who have been saved for a number of years. Please pray that the Lord will continue to sow the seed of the ministry publications and the Recovery Version so that the Francophone world can be "filled with the knowledge of Jehovah / As water covers the sea" (Isa. 11:9).

In a time of fellowship with brothers from all over the Francophone world, the visiting brothers encouraged us to get into the truth in

the Word and the ministry in a regular way, and all the brothers would like to respond to this calling. We also want to encourage the saints in the Francophone world to consider attending the one week training held in Bower House.

May the Lord expand the vision of His recovery throughout Europe and cause us all to love, appreciate, and even preach His word and ministry.

In Him,

The serving ones in the church in Paris

- ⊗ **One-Day Retreat for Young Families and Working Saints**

On Saturday, May 30, there will be a special gathering for the children (K-6 grade) and their families from 2:30-4:30pm at Deerfield Park. - ⊗ **2015 Summer School of Truth**

We are pleased to announce the 2015 Summer School of Truth. The dates of the SSOT this year will be from July 27 to Aug 1. The young people as well as any burdened parents or saints may register for the SSOT on our website at www.irvineyp.com.

The purpose of the Summer School of Truth is in accord with our Savior God's desire that all men would not only be saved but also come to the full knowledge of the truth. Please plan your summer accordingly for this important time. May all our young people be prepared by the Lord to be His useful vessels fully equipped unto every good work.

On Saturday, June 6, 2015 the church in Irvine will host a retreat for young families and working saints from the South Coast churches, including Irvine, Huntington Beach, Santa Ana, Lake Forest, San Juan Capistrano, and Vista, at the meeting hall of the church in San Juan Capistrano. This retreat is for any grad student, serving one, working saint, young married couple, young mother/parent, etc. roughly between the ages of 25 to early 40s.

To attend the retreat, the saints should register as soon as possible, especially if you are a family and intend to bring children needing supervision. We hope that as many young families and working saints as possible could attend this retreat for some encouraging exhortation and fellowship. May the Lord richly bless this time!
