DETAILED PRAYER BURDENS

International: Mass Migration out of the Middle East into Europe

- ⊗ Pray for the Lord's leading and blessing and the cooperation of the churches and the saints to respond to this unprecedented opportunity with the preparation of gospel materials and the rising up of saints who know Arabic and Farsi to shepherd the immigrants that God's chosen one's will be called and gained for the Lord's testimony and His spread into the Arabic speaking countries.

Local: High School Conferences for Brothers and Sisters—Oct. 30-Nov. 1

- ⊗ Pray for the attendance to these conferences and that the conferences would be

used by the Lord to captivate the young people to Himself that they would be further separated unto Him from this age to be His witnesses among this generation.

- ⊗ Pray for the hospitality in the homes, that this time would be profitable in cherishing and nourishing the young people to be the lovers of Christ and the lovers of His Body.

THE BURDEN CONCERNING THE MASS HUMAN MIGRATION OUT OF THE MIDDLE EAST INTO EUROPE

To the churches in the Lord's recovery:

In early September a number of brothers, aware of the mass human migration out of the Middle East into Europe, were enlightened by the Lord to realize that this was not merely the result of human tragedy, but rather, a divine opportunity arranged by the Lord's hand. A couple of weeks later, a number of these brothers met to consider and fellowship concerning the situation with some Arabic-speaking brothers, who had been closely following this situation from the Arabic perspective. The decision was made to assemble a small group, eight brothers, to go to Europe and scout out this situation in which millions are fleeing their war torn countries.

During the recent ITERO in Brazil, one of the brothers who participated in this scouting trip gave a report to the international co-workers in attendance. A summary of this report is that many of these refugees are young, educated, and open to receive care and even the gospel. We feel that a proper, coordinated work among them could lead to the raising up of many churches in Europe. Also, a video of some of the brothers' contact with the refugees was shown. The feeling was that the burden would be shared as follows:

1. Living Stream Ministry would produce the necessary publications,
2. Rhema Literature Distributors would help oversee the free mass distribution of literature in Europe, and
3. The Lord's Move to Europe (LME) and Amana Trust in London would coordinate for the direct contact and follow-up.

While much more prayer and fellowship are needed in considering the details of a response, at least two needs have been clearly manifested.

First, there is a need to find willing brothers and sisters who have some knowledge of the truths of the Lord's recovery and at least some knowledge of Arabic and Farsi. There is a need for simple translation related to communicating with contacts via a website or email (see below). There is also a great need for more skilled saints for the translation of literature—tracts, booklets, books, etc.—for both free mass distribution and eventually publications for young churches. A number of Arabic publications for both the gospel and new believers are already being prepared.

If anyone has some ability in Arabic or Farsi and is burdened to participate, they should email their name, contact information, some indication of their proficiency in Arabic or Farsi, and the name of one of the elders in their locality to Anaheim@lordsmove.org.

Second, a website is being set up so that the seeking contacts (who have smart phones, tablets, etc.) can request one or more of the following:

1. Personal prayer concerning whatever may be weighing on their hearts. For this, we would like to find brothers and sisters who are willing to set aside definite times to pray for them.
2. Gospel or ministry literature. This will be supplied by Living Stream Ministry in coordination with Rhema Literature Distributors and others.
3. Personal contact. This personal shepherding will require volunteers and will be coordinated by Amana Trust in London and the Lord's Move to Europe.

If anyone has the burden to pray faithfully, they should send their name, their contact

INDIA BLENDING TRIP

The church in Irvine has the opportunity in early 2016 to visit and blend with some of the churches and saints in India. Saints from Irvine in the past have participated in blending trips to India and the times have been richly rewarding with the enjoyment of Christ in His one Body and mutually beneficial both to us and the saints in India.

The current proposed itinerary would allow us to visit saints and churches in New Dehli, Mumbai, Hyderabad and Chennai. The current proposed dates for the trip are Feb. 3-

16, 2016 (Dates include total travel times). The estimated cost of the trip is \$2,400 which includes airfare, visa, hotel, meals and transportation costs in India.

Any saints who have an interest to participate in this blending trip should contact either Dave Beckman (davidbeckman@yahoo.com, 949-300-7451) or Tony Barba (tbarba7@gmail.com, 949-350-5797) **no later than November 15, 2015.**
