DETAILED PRAYER BURDENS

International: Winter Training — Crystallization Study of Exodus

- ⊗ Pray that the word released in the Winter Training will operate in the churches to cause us to seek and pursue to have an increase and advance in our experience of Christ as typified by all the furnishings of the tabernacle for the building up of the Body of Christ and God's move to bring in His kingdom.
- ⊗ Pray especially for an advance in the churches in our experience of Christ as the Intercessor, the praying Christ, typified by the incense altar, that the prayer that God needs to execute His administration and govern the universe would be realized in the churches.
- ⊗ Pray that there would be the desperation in the saints in the churches to grow in the divine life and to pray at the incense altar for this growth and maturity so that an army can be formed to spread and bring in the kingdom of God on this earth.

Preaching the Gospel to the Middle Eastern Refugees

- ⊗ Pray for the response of the Body to match the Lord's desire to reach the people of the Arabic and Farsi-speaking world by corporate and personal prayer, giving of our money, and going to contact refugees in Greece and Germany.
- ⊗ Pray for the Lord to supply Rhema the manpower and finances to reach numerous refugees with gospel materials.
- ⊗ Pray for the Lord's supply to the saints who are praying for specific names of refugees.
- ⊗ Pray for the refugees who have responded through the website and for the local saints who are contacting them to shepherd them into the church life.
- ⊗ Pray for the heading up of the political situation and the environment in Europe, Syria, and Iraq that many would be gained by the Lord so that lampstands would be raised up in both Europe and the Middle East.

MEMORABLE QUOTES FROM THE 2015 WINTER TRAINING

The Lord's recovery is the recovery of the eating of Jesus for the building up of the church.

Christ is the One who propitiates, He is the propitiatory sacrifice, and He is the propitiatory cover, the place where God and His redeemed people meet together.

Prayer is man cooperating and co-working with God, allowing God to express Himself and His desire through man, and thus accomplish His purpose.

The cross is the base, the ground, of all spiritual experience; all spiritual experience begins from the cross. The cross is the center of God's operation in His economy. In His economy God gives us one person—Christ—and one way—the cross.

We should remain continually, perpetually and unceasingly in the washing, renewing, reconditioning, remaking, and remodeling with the divine life.

Now Christ is the life-giving laver,
Now Christ is the washing One too,
He's now sanctifying, renewing,
To beautify both me and you.

If we have the Spirit, we have everything.

In the Lord's recovery today, there is the desperate need of maturity; there is an urgent need for more of us to grow, reach maturity, and thereby become qualified to be formed into an army.

The Spirit is the processed, compound, all-inclusive, life-giving, indwelling, sevenfold intensified, consummated Spirit as the ultimate consummation of the processed Triune God to be the eternal portion of His chosen, redeemed, regenerated, renewed, transformed, conformed, and glorified tripartite people as their life, life supply, and everything.

He is within our spirit to anoint us, to "paint" us, with the elements of the Triune God; the more this anointing, this painting, goes on, the more the Triune God with His person and processes is transfused into our being.

A person who loves God cares for the desire of God's heart and for the fulfillment of God's purpose.

Lord, teach me, train me, to have prayers that are acceptable to You.

BANNERS FROM THE CRYSTALLIZATION-STUDY OF EXODUS (3)

The Ark of acacia wood overlaid with gold signifies the pneumatic Christ as the embodiment of God and as the mingling of divinity with humanity, the building of God with man, dwelling in our spirit for us to contact God and enjoy God.

The anointing is the moving and working of the indwelling compound Spirit to apply all the ingredients of the processed Triune God and His activities into our inner being so that we may be fully mingled with Him for His corporate expression.

Christ's interceding life, His prayer life, is the center of the divine administration and of the execution of His government on earth; the executing of God's administration is motivated by the prayers offered to Him from the incense altar.

When we are one with the Lord at the incense altar, interceding for the Lord's interests and praying for the formation of an army to fight for God's move on earth, our prayer is a fragrant incense to God.

ANNOUNCEMENTS

- ⊗ **Corporately Praying in the New Year**
- ⊗ **Fellowship Concerning Our Children for the Districts Meeting at UCI**

For many years, the church in Irvine has maintained the practice of an evening prayer meeting on New Year's Eve to "pray in the new year." This year is no exception. We would like to gather together on **Thursday, Dec. 31, 2015, from 10pm-12midnight at Hall 1 for an evening of prayer.**

There is no better way to begin a new year than by freshly consecrating ourselves to the Lord for the building up of His Body that 2016 would bring us one year closer to fulfilling God's eternal purpose--to gain His enlarged corporate expression and fully build up His dwelling place on earth!

There will be a time of fellowship for the districts meeting at UCI on **Lord's Day, Jan 3, at Hall 1**, regarding the Lord's burden for our children to prepare them as vessels unto honor and for His desire to gain increase through them.

The fellowship time will take place during the morning meeting, after the Lord's table. We encourage all the saints to stand with the brothers for this important fellowship.
