DETAILED PRAYER BURDENS

International: Speaking from the Memorial Day Conference - The Increase of Christ for the Building up of the Church

- ⊗ Pray that the word released in the recent Memorial Day Conference would operate in the churches that we would endeavor and pay the price to be in the divine stream of the Lord's move for His continuation and increase on this earth.
- ⊗ Pray that there would be an intensified hunger in the churches for the Lord to increase within us as the word of God and that He would, also, multiply as the word of God by new believers being "added to the Lord" as members of His Body for His enlargement (Acts 6:7,12:24).
- ⊗ Pray that God's desire for Christ to increase and grow in the churches would be realized in these days by our cooperation with the Lord and our pursuing Him to become full of Christ as our content and arrive "at a full grown man and at the measure of the stature of the fullness of Christ."

Follow-up trips to Germany

- ⊗ Please pray for the one accord that commands the Lord's blessing for all the remaining gospel trips. The gospel trips are increasing in number, but pray that there would be a wonderful harmony through blending prayer and fellowship.
- ⊗ Pray for the translators to be raised up and perfected to be our co-workers. The Lord needs these translators to be channels of life to the refugees. Also pray that our own brothers and sisters who can translate will be able to come to Germany either by visitation or migration.
- ⊗ Pray for meeting halls in Berlin and Düsseldorf that would be in the best location and adequate to meet the ongoing need.
- ⊗ Pray that the Lord will continue to bless the distribution of the Bible and to bring in remaining fruit through this distribution.

MINISTRY PORTION

REMAINING IN THE STATUS OF OUR CALLING

In verse 20 Paul declares, "Each one, in the calling in which he was called, in this let him remain." Here we see that we should remain in the status of our calling. If we were married when called, we should remain in marriage. Likewise, if we were unmarried when called, it is better, if possible, to remain unmarried.

Verse 24 says, "Each one, brothers, in what state he was called, in this let him remain with God." After being called, the believers do not need to change their outward status, but they do need to have a change in their inward condition, that is, from being without God to being with God, in order to be one with God and have God with them in their state, whatever it may be.

SEEKING TO CARE FOR THE THINGS OF THE LORD WITHOUT OTHER CARES

Another principle here is to care for the things of the Lord and for the Lord's interests without having any other care. Verse 32 says, "But I desire you to be without care. The unmarried cares for the things of the Lord, how he may please the Lord." In verse 33 Paul points out that the one who is married cares for the things of the world and how to please his wife. As a result, he is distracted. The Greek

word translated distracted literally means divided. A man who would please his wife is distracted, divided, from the things of the Lord (v. 35).

WAITING ON THE LORD WITHOUT DISTRACTION

Verse 35 says, "But I say this for your own profit, not that I may put a noose on you, but for that which is comely and waiting on the Lord without distraction." The Greek word rendered "put a noose on" means to entangle with a snare, to constrain to obey one's word. It was not Paul's intention to put a noose on the saints, but that they may wait on the Lord without distraction. There are distractions in married life. A married person will always have distractions.
