## DETAILED PRAYER BURDENS

### International: The Lord's Move in Germany - Shepherding

- ☉ Pray that there would be the all-inclusive shepherding care of the refugees in their homes and in the camps where they are and that they would be prepared to enter into group meetings with other saints where they could practice the mutual fellowship, intercession and care for one another.

### The church in Istanbul, Turkey

- ☉ Pray for the strengthening of the church life in Istanbul that the Lord would gain a strong testimony of Himself in this city.
- ☉ Pray for the gospel preaching at Istanbul University and Bosphorus University and that the saints would have the wisdom in contacting students that many would be gained by the Lord for His purpose.

### National: Elections

- ☉ Pray for the leadership in our city, state and nation—1 Timothy 2:1-4 exhorts us to pray on behalf of all men, on behalf of “all those who are in high position, that we may lead a quiet and tranquil life in godliness and gravity” for this is acceptable to “our Savior God who desires all men to be saved and to come to the full knowledge of the truth.”
- ☉ Pray that the Lord, as the Ruler of the kings of the earth, would rule over all the elections in this country, establishing the leadership that is according to His will for carrying out His economy.

## NEW TESTAMENT READING CHALLENGE / LIFE-STUDY OF EZEKIEL

### New Testament Reading Challenge

The church commenced its **New Testament Reading Challenge** on Monday, Oct. 10 in which all participants read one chapter of the New Testament for six days during the week (with one day for make-up).

If we faithfully follow this schedule to read the word daily (“We need to be legal in coming to the Word daily.”), the whole church can complete the 260 chapters of the New Testament in early August of next year!

This proposed reading schedule is not intended to replace existing Bible reading schedules, but rather to supplement them. Due to its slower pace, it can easily be adopted by those who desire to start reading the Bible regularly, as well as be used as a tool to help others develop a Bible-reading habit by reading it together as companions! May the Word of Christ could dwell in us richly!

### Life-Study of Ezekiel

On Monday, Oct. 17, the church started a **three-chapter-per-week** reading of the Life-Study of Ezekiel in preparation for the 2016 Winter Training, which will be *the Crystallization Study of Ezekiel*.

Since there are only 27 chapters in the Life-Study of Ezekiel, those who participate in this program will be able to complete the reading of the entire Life-Study of Ezekiel prior to the semi-annual training. However, the **three** Life-Studies per week pace is a little more intense than the usual **two** Life-Studies per week that has been the church's usual practice. Hence, we pray that the saints would be intensified in their faithfulness to read these Life-Studies so that we could gain the maximum benefit from the semi-annual training!

May the Lord sanctify all the saints in the truth through the rich ministry we have!

## 2016 CHILDREN'S WORK PERFECTING CONFERENCE

We are pleased to announce to the churches in Southern California a perfecting conference for parents and for those who serve with the children in the churches. The conference will have 2 sessions where we will continue to cover the fellowship presented in the publication, *Raising Up the Next Generation for the Church Life*. Our intention is to use one session to cover matters related to being parents and the other session to cover matters related to the children's work in the churches.

On these topics Brother Lee said this: "We must realize that the children's work is a crucial burden. Every locality must be aggressive in the children's work, because there is a greater future in the children's work than in the campus work. Generally speaking, it is easier to bring in children, and once they come in, they usually remain. Our history confirms this fact." (*Crucial Words of Leading in the Lord's Recovery*, Book 3: *The Future of the*
