DETAILED PRAYER BURDENS

Local: Prayer for Rebecca Bayes and the Goetz's.

The daughter of Tom and Joyce Goetz, Rebecca Bayes, has been battling cancer the last few months with no treatment providing any effect against the cancer. Part of the complication of her getting an effective treatment has been a difference in test results from biopsies taken. This week she has started a new chemo treatment to address the recently identified source of the cancer while she is waiting to get approval for a clinical trial that addresses this type of cancer as well. This matter has weighed heavily on Tom and Joyce who have recently migrated to Germany for the Lord's interest there.

- ☉ Pray that the enemy would be bound and that the Lord perfect will would be done; that Satan's influence on the work in Germany would be bound, restricted, and fully stopped.
- ☉ Pray that the pain and discomfort Rebecca has been experiencing would be reduced; that the current round of specialized chemo would be effective in stopping the growth of the tumors; and that Rebecca would be cleared to start the clinical trial as soon as possible.

☉ Pray that the medical staff would have the wisdom to understand and treat this case in the most effective way, and that a clear treatment plan would be put into place.

☉ Pray that the Bayes and Goetz households would experience the all-inclusive, tender care of the great Shepherd as He strengthens them to feed on Him and to lie down in peace under His protective gaze.

☉ Pray that the work in Germany would advance in all the churches; that the perfecting of the new ones would proceed without hindrance; that the campus work would be blessed to the uttermost; and that the saints would be supplied and strengthened to press on in His work.

FIRST LORD'S TABLE IN SPLIT, CROATIA APRIL 23, 2017

With a population of around 180,000, Split is the second largest city in Croatia, one of the ex-Yugoslavian countries.

The history of the church in Split goes back to the year 2012, when a seeking sister, a reader of the Rhema books, responded to an invitation to the One Week Training (OWT) in London. Shortly after she returned to Split, she was joined by a seeking couple, and through the initial visits of the saints from Germany, a small group of saints slowly began to form.

With the help of the mini-conference in Pula in 2013, the Rhema seminar in Split in 2014, and the new LSM publications that were released and distributed in the Serbian and Croatian languages, the saints in Split were brought into the vision of God's economy and of the genuine oneness. From 2014 the saints from Split begin to know the Body by regularly joining the annual blending conference in Slovakia and the OWT in London. Up to now at least 80% of the saints presently meeting in Split have attended the OWT. This has greatly helped them to go on and has deepened their vision.

From 2015 a number of saints and serving couples from other churches began to spend

an extended time in Split to supply the saints, which contributed much to the producing of the church in Split. In the beginning of 2016 a regional conference took place in Split, and new saints joined the weekly meetings of the saints. In the same year the brothers who took the lead in the church in Split began to meet and fellowship with the brothers from nearby countries, especially those from Slovakia, the Czech Republic, Hungary, and Serbia. Eventually, the brothers opened their burden to begin to break bread in Split. The number of the saints meeting in Split had grown to 30 adults. After much prayer and fellowship in the Body, and after much supply from the prayers of the whole Body, the brothers in Split had the life and peace to take the ground in Split.

On 23 April 2017 approximately 130 saints from 11 different countries, including 30 local saints standing on the genuine ground of oneness, met together around the Lord's table to testify in Split concerning the one Body of Christ on earth. From the beginning the atmosphere was very high and joyful. The saints enjoyed together some of the precious hymns that are especially rich concerning the person and work of Christ.

FIRST LORD'S TABLE IN SPLIT, CROATIA APRIL 23, 2017 (CONT'D)

(Continued from page 1)

Before we broke the bread and blessed the cup, a brother gave an excellent word concerning some aspects of the Lord's table, and he stressed the point that the Lord's table is the highest and most important meeting of the church. It is profound, high, rich and full of significance, but the practice is very simple, and the secret is our mingled spirit. After we enjoyed more hymns and broke the bread, the Lord led us to worship the Father with more hymns and praise.

After the table meeting the overflow sharing of the saints was full of light and supply. The spirit of the meeting was victorious and glorious! Everyone was full and satisfied. This

meeting was a very good pattern for the saints in Split as they continue to break bread week by week. A video report can be found at <https://youtu.be/JyCv5HhHj-o>

We hope all the saints will continue to pray that the church life in Split will be prevailing and fruitful.

HOSPITALITY FOR SAINTS FROM INDIA FOR THE SUMMER TRAINING

For the Summer Training in July the church in Irvine will have the opportunity to host saints coming from India. We are expecting around 15 saints to come and we would like to provide hospitality for them all in the homes of the saints. Having these saints stay in our homes and participate in the local morning study sessions will provide more oppor-

tunity for blending and fellowship with them.

If you are able to provide hospitality for one or two of these saints please contact the brother in your district who is responsible for training registration. May the Lord's Body be richly blessed by this "circulation" of fellowship in His Body through our providing hospitality to these saints.

6TH GRADERS & BAPTISMS

Next Lord's day, May 14, we will have baptisms at Hall 1 at 4pm. We encourage the saints to come and stand with these young vessels as they are baptized into the Body of Christ and made members of the church. Come and rejoice with them at this marvelous occasion!

This weekend, May 5-7, twelve of our children attended the Sixth Grade Conference. We pray that their experience of salvation will lead them to love the Lord and consecrate themselves to Him. Pray also that they all will choose to be transferred into His kingdom in a definite way and their baptism will be full of meaning and impact, giving them a good be-

ginning for their Christian life and church life. Please pray for the following who attended the conference:

 Sieun Kim

 Chloe (Chowon) Oh
