## DETAILED PRAYER BURDENS

### International: Rhema Books — Translation, Printing and Distribution

Books for mass distribution are soon to be printed in Sinhala (Sri Lanka), Burmese (Myanmar), Bangla (Bangladesh) and in the Indian languages of Marathi, Kannada and Mizo. Translation and editing are in the process for Vietnamese, Urdu (Pakistan) and Khmer (Cambodia) and more languages are being prepared. To serve the free mass distribution of these books, a warehouse is being setup in Taiwan.

- ⊗ Please pray for the saints and all those involved in the various stages of translation and printing that all in Asia will have the opportunity to taste the ministry of the age in their native tongue.
- ⊗ Pray that the Lord would cause the warehouse in Taiwan to be a blessing, even that it would be Joseph's storehouse to supply spiritual food to the multitudes in Asia.

### National: Full Time Training in Anaheim

A new term of the FTTA commenced on August 14.

- ⊗ Pray for the trainees and trainers that the goal of the training in perfecting the saints unto the work of the ministry for the building up of the Body would be carried out.

⊗ Pray that the trainees assigned to Irvine would be shepherded by the local saints for their participation in the church life in Irvine.

⊗ Pray for the trainees sent from Irvine, especially those beginning their first term: Kristie Ahn, Julia Chung, Silvia Coto, William Jeng, Andres Mendoza, Angela Oliva and Nestor Zepeda.

### Local: Redistricting in the church in Irvine

⊗ Pray that the changes related to the various districts in Irvine will be a cause for a new beginning among the saints and that there would be an advance of the church in the practice of the God-ordained way through these changes.

⊗ Pray for the building up of the organic structure of the church in saints giving themselves to the Lord to be vitalized, to have companions for the preaching of the gospel and shepherding, to participate in small groups for the perfecting of one another, and to bear the Lord's testimony in district meetings that would be full of impact and richness.

## DISTRICT ADJUSTMENT PLAN (COMMENCING AUG. 20, 2017)

Over the last several months, the leading and responsible brothers in the church in Irvine have been working on a plan to address a number of particular needs identified in various districts. After five years of meeting in districts, we have learned much about the practice of districting. Most of the experience has been overwhelmingly positive, but there are certain areas that could use some adjustment. So with a view to giving all the districts a chance for a "new beginning," we have embarked on a revised district plan that would include the following:
