## DETAILED PRAYER BURDENS

### International: UK Building Project (London)

The urgent need and present burden is to expand facilities at Woodland Camp so that 200 Europeans per week can be trained. With the current facilities, only about 200 Europeans can be trained per year.

This expansion would allow for a more than 10-fold increase in the number of European saints that can be trained. The cost of this expansion is estimated to be approximately \$2.5 million. The hope is that these funds can be available in a timely way so that construction can be completed by the end of 2018.

- ☉ Please pray that this need would be met by the sacrifices of a sweet smelling savor through the material offerings of the saints by the Lord's abounding grace.

### The Lord's Move in Germany

Please continue to pray:

- ☉ that many seeking ones who received a free Bible will be shepherded into the church life.

- ☉ for the raising up of lampstands in many cities that were visited after the fall ITERO.

- ☉ for the increase, strengthening, and building up of all the existing churches in Germany.

### Local: Loving the Lord to Have a Revived Living and a Labor in Shepherding

- ☉ Pray for our having a revived living and being revived in the spirit of the gospel.

- ☉ Pray for our cooperation with the Lord to build up the priesthood of the gospel among us in vital groups, to labor together in prayer and contacting people to gain them and shepherd them into the church life.

## MINISTRY PORTION

### BECOMING HOLY IN ALL OUR MANNER OF LIFE

...I would like to say a further word concerning the matter of becoming holy in all our manner of life (1:15). The phrase "manner of life" is a literal translation of the Greek. According to 1:15, we should not merely be holy and live a holy life; we should become holy in all our manner of life. Others should be able to see a certain manner in our living, and this manner should be holy. This does not mean that we are holy occasionally or that we are holy in certain things. For instance, it is not that in the morning we are holy in one matter, and then later in the day we are no longer holy in that matter. No, we need habitually to have a holy life. This is what constitutes a holy manner of life. If we would have a holy manner of life, we need to be habitually holy in our constitution. This means that we need to become a certain kind of person, a person who is holy in constitution.

We may use fruit trees as an illustration of what we mean by a holy manner of life. An apple tree produces apples according to the apple-tree manner of life. Likewise, an orange tree produces oranges according to its manner of life. The producing of apples by an apple tree and oranges by an orange tree is not accidental. On the contrary, it is altogether according to the manner of life characteristic of each tree.

The same should be true of our becoming holy in our manner of life. Some Christians who emphasize a so-called holiness may sometimes act holy, but at other times they may be very worldly or fleshly. This indicates that they do not have a holy manner of life. To have a holy manner of life is to have a life that is the expression of God. It is to have a living that is the expression of the holy nature of God.
