DETAILED PRAYER BURDENS

International: Summer Training — Crystallization-Study of Leviticus

- ⊗ Pray that in the churches there would be a seeking heart and pursuing spirit to enter into the experience of what the Lord released to the churches in the recent training.
- ⊗ Pray that in the churches we would be a people in the reality of the jubilee, enjoying God as our possession and the liberation from every kind of slavery.
- ⊗ Pray that in all the churches the spirit of the gospel would be revived to announce the "year of jubilee" to men everywhere.

Addis Ababa - Meeting Facility and Training Center Need

The church in Addis Ababa is in need of a large meeting facility as they have outgrown their current place of meeting and there is also the need for a training facility for the entire country of Africa where saints can be trained.

There is a property that would meet this need which has a selling price of around 2.5 million USD which is far below market prices as the seller is very favorable to the saints in Addis Ababa in buying the property. The funds to acquire this property is needed within the next few coming weeks.

- ⊗ Please pray that this need could be met in the Body by the Lord's abounding grace for His interest and spread throughout the continent of Africa.

BANNERS FROM THE CRYSTALLIZATION-STUDY OF LEVITICUS (2)

Those who have a desire to serve God must know that God is a consuming fire that burns and energizes; this fire should be the energy, the driving force, the impulse within us that becomes the genuine motivating power of our service.

God wants us to eat, digest, and assimilate Him as food so that He becomes the constituent of our inward being, and we become God in life, nature, constitution, and expression but not in the Godhead.

We must receive the Lord Jesus as the real jubilee in us; if we have Him, we have God as our possession and can be delivered from the bondage of sin and Satan to have real freedom and rest.

We need to understand the intrinsic significance of the processed Triune God, the work that He has done entirely by Himself, and the result of His work—the church as the enlargement of Christ for God's dwelling and eternal manifestation.

MINISTRY PORTION

Isaiah 61:2 calls the year of jubilee “the acceptable year of Jehovah.” This can also be translated as “the year of Jehovah's grace.” This verse is included in the Scripture that the Lord Jesus read in Luke 4:17-19, where the above phrase reads, “the acceptable year of the Lord, the year of jubilee.” In Isaiah it is the year of grace, whereas in the New Testament it is the year of jubilee. Therefore, the year of jubilee is the year of grace. Man became a vile sinner, not only lazy and gluttonous but also reckless and lawless. Laziness and gluttony made him so poor that he had to sell his possession, and recklessness and lawlessness caused him to become so destitute that he had to sell himself. Consequently, he fell into a situation in which he had neither his possession nor his freedom. However, in the year of jubilee every owner is returned to what he has sold, and everyone regains his freedom...

Ephesians 2:12 says that people living in the world today have no hope and are without God. Whether rich or poor, noble or base, civilized or barbaric, everyone is the same; all have no hope and are without God. Not only so, people today have fallen to such an extent that they have sold themselves to sin and Satan. Some people have sold themselves to sinful things, such as extravagant eating and drinking, sexual indulgence, gambling, and drug addiction. With others it may not be as obvious; nevertheless, they also have sold themselves and are therefore without freedom, having no control over their own will. Those who are unmarried think that marriage is the way to be freed from problems. After marriage, however, they discover that instead of

obtaining freedom they have entered a new kind of slavery. The basic problem is that man has sold himself and lost God; thus, he has completely lost his freedom and his own possession and has become a slave. Paul says in Romans 7:14, “I am fleshy, sold under sin.” Not only the unbelievers but even many believers are still not wholly delivered from the slavery under Pharaoh.

Therefore, in the year of jubilee there are two main blessings: the returning of every man to his lost possession and the liberation from slavery. If we want to be truly free and able to enjoy God as our possession, we must receive the Lord Jesus as the real jubilee in us. If we have Him, our possession is recovered, and our freedom is returned to us. The Lord Jesus has released us so that we may have God as our possession and be delivered from the bondage of sin and Satan in order that we may have real freedom. Every one of us who has experienced the grace of the Lord can testify that before we were saved, we had no freedom and no control over ourselves. Now that we have been saved, the Lord has released us from within so that we are no longer slaves. Not only so, we have been brought back to God as our possession. The Lord Jesus said in Matthew 11:28, “Come to Me all who toil and are burdened, and I will give you rest.” We are no longer those who toil and are burdened; we are those who have freedom and enjoy rest. Furthermore, we are no longer poor; instead, we have God as our inheritance (Acts 26:18; Eph. 1:14; Col. 1:12). This is the meaning of the year of jubilee.
