## DETAILED PRAYER BURDENS

### International: The Lord's Move in India—Ministry Distribution in Northern India

Amana Literature and Rhema will be distributing ministry literature in the northern states of Sikkim and West Bengal over the next 2 weeks. These states are near the countries of Bhutan and Tibet. The distribution will be among the Christian groups, seekers, leaders, and pastors.

☉ Pray that the seed of the gospel of the kingdom may be sown widely through the ministry of the word as spiritual food and life supply to many seekers for the raising up of the Lord's testimony in these northern states of India.

☉ Pray also that the Lord will open up Bhutan and Tibet for the ministry of the word to be distributed.

### Local: Irvine-Fall College Retreat, Oak Glen (Sept. 14-16)

☉ Pray for the attendance of the college students at the retreat.

☉ Pray for the students to receive a burden from the Lord that would energize them for the Lord's move on their campuses.

☉ Pray for the students to be connected with the families as vital groups in praying for and contacting their fellow students and their family members.

### Irvine-Fall College Internship (Sept. 10 - 21)

☉ Pray for infusion of the Lord's burden and the equipping of the students with the truth to become fishers of men and for them to be yoked together for the Lord's move on their campus.

### Irvine - A Gospel Preaching Culture

☉ Continue to pray that a gospel preaching culture and atmosphere will be built up in the church here by saints corporately going forth to announce the gospel and for vital groups to be established to labor in prayer and contacting people to announce Christ as the Jubilee.

## TESTIMONIES FROM THE FULL-TIME TRAINING IN ANAHEIM

*In the following weeks, we will be reporting testimonies written by our Irvine-sent and Irvine-related trainees regarding their enjoyment and experience in the FTTA for the encouragement of all the saints.*

Dear saints,

It is wonderful to be back at the training. After a couple of weeks, I feel back to normal, enjoying Christ :) This term, I did not request a team change. So, I am in the community team and have been placed in the same District in Anaheim. I am also in the same house. Things have not changed very much, but I thank the Lord for His perfect will. Even though I am in the training, which is different than the church life outside of the training, I find that the Lord is giving me an opportunity to have a steady life in the church life. This is pleasant to me, because I didn't grow up with a fixed environment. For example, I went to 4+ elementary schools, 2 middle schools, and 1 high school (although I moved about 3 times throughout those four years). The Lord is giving me a pleasantly steady environment. Actually, enjoying such a balanced environment in close proximity to the Training Center is a different feeling than when I started the training last Fall, when I found out I was assigned to serve right across the street from

the Training Center. A highlight of the term has been the realization that while in the training, I can drop any burden that awaits me after the training. Although I am uncertain about where I will be in the Fall of 2019, at the moment I can stop worrying about that, knowing that I have given myself to the Lord, and thus, He will take care of me. He wants me to simply enjoy Him, eat Him in the word, and be fixed on Him. He is shepherding me with a sweet, and tender care. Praise the Lord! Philippians 1:21 "for to me to live is Christ and to die is gain." To live Him requires one thing: enjoying Him!

Prayer request: that the Lord would shepherd my family into the flow of life, which is in His body.

Much Love, Silvia Nicole Coto Polanco
