DETAILED PRAYER BURDENS

International: December 2018 Semiannual

Training—Crystallization-Study of Numbers

- ⊗ Pray for the full release of the Lord's burden in this training through the ministry of the Word.
- ⊗ Pray that the word released in the recent semiannual training will operate and be effectual in the churches that the Lord would be able to form an army to match Him and join Him in the battle to bring in God's kingdom on this earth.
- ⊗ Pray that the Lord's jealousy for His wife would be satisfied by our loving Him supremely and above everything and that a purity and chastity toward Christ would pervade in all the churches to satisfy the Lord and meet His need.

- ⊗ Pray that the Lord would gain us as the corporate Nazarite by being sanctified and separated absolutely to Him to be a people living for nothing but Him and His satisfaction.
- ⊗ Pray for the assimilation and digestion of this word in every saint and in every church in the months to come that the burden and goal of this training would be realized in the Lord gaining His army in these days to consummate this age and bring in His kingdom.

PRAYING IN THE NEW YEAR

For many years, the church in Irvine has maintained the practice of an evening prayer meeting on New Year's Eve to "pray in the new year." We would like to gather together on Monday, December 31, 2018, from 10pm-12midnight at Hall 1 for an evening of prayer.

There is no better way to begin a new year than by freshly consecrating ourselves to the Lord to be formed into an army to fight with God for His interest on earth and to be today's Nazarites who are for nothing other than God and His satisfaction.

BANNERS FROM THE CRYSTALLIZATION-STUDY OF NUMBERS (1)

Because God desires a corporate man to represent Him in subduing and regaining the earth from the usurping hand of Satan, God's chosen and redeemed people need to be formed into an army to journey with God and to fight with God for His interest on earth.

God desires that all His people be Nazarites; to be a Nazarite is to be sanctified, separated, absolutely and ultimately to God, that is, to be for nothing other than God and for nothing other than His satisfaction.

As partners of Christ fighting for God's interest, we need to have faith in God's word, honor God by believing in Him, see a vision of the all-inclusive Christ typified by the good land, conquer the Satanic chaos, and triumph in the divine economy.

Christ is the center of God's move on the earth from His incarnation through His ascension to His second coming; God is still moving on this earth in and through the church, and He is moving with Christ as the unique Leader and center of the church.

MINISTRY PORTION

After I was saved, I heard many messages and read many books which told how to be a victorious Christian. These messages and books indicated that I had many enemies: the world is my enemy; my self is my enemy; my temper, my hatred, and all my problems are my enemies. Then these messages and books indicated many wonderful ways to overcome these enemies. Some said that I must pray much; others said that I must pray with fasting and without sleep. But none of these ways worked. Then I was told that Christ was crucified on the cross, and all the enemies including myself were crucified there too; now I must reckon upon this. I tell you, I tried to reckon for a long time, but I never succeeded. I filled many notebooks with these ways and methods of being an overcoming Christian. One day I threw them all away. There were so many good instructions, concepts, teachings, and suggestions, and I greatly appreciated them. But one day I began to realize that by coming into the local church and staying in the local church, every problem is solved and every enemy is overcome. It was so wonderful; I cannot tell you how wonderful it was! When I stayed in the local church, the world was gone, my temper was gone, and my problems disappeared. I am speaking from actual experience; I have been learning this for over thirty years. I have tried many methods and ways. I searched the

Bible to find the will of God. Eventually, that did not work, and I found nothing. But when I came into the local church and stayed there, the will of God was spontaneously made clear. I tried to solve my problems as an individual again and again but could never overcome. When I stayed in the local church, however, all the enemies fled. I had no intention of defeating them; they all fled. From my experience I can boldly testify and declare that the best way to solve your problems, to overcome your enemies, to know the Lord's will, and to obtain the Lord's blessing is simply to stay in the local church and praise the Lord. Just do it. Just try it. This one kind of medicine heals all kinds of diseases.
