## BURDEN TO RAISE UP A CHURCH IN GDANSK, POLAND (CONT'D)

(continued from page 1)

come also from abroad. There are three churches in the vicinity of Gdansk, the closest being about 45 minutes away by car.

During the preparations for the FTTA gospel trip in January 2019, a though emerged among the serving ones in Poland that, while visiting churches in the north of Poland, the trainees, along with serving ones from Warsaw and local saints, could also conduct a two-day distribution of the Polish New Testament Recovery Version in Gdansk near the University of Gdansk, which is the largest university in that area.

During the distributions the saints encountered a very good atmosphere and openness among the students whom they contacted. This encouraged the serving ones and the saints in Poland to continue to visit this city after the FTTA gospel trip. Four distributions were conducted from February until today, in which a total of over 700 New Testaments were given away. Dozens of good conversations were held, and while the Lord had a way to sow His Word, eight students received the Lord. We are still in contact with some of

them, and new contacts continue to appear. In the Gdansk urban area three young saints from the church life are currently studying. We are in contact with these students, and they join the Bibles for Europe distributions as much as possible.

Prayer burdens:

1. That the Lord will burden at least two families and two single saints to migrate and live near the University of Gdansk, so that we can take care of the students who are open to meet with us and the students from the church life who currently study there or intend to study there

2. That the Lord will open a way for us to visit Gdansk regularly and burden the three nearby churches to join and participate in sowing and shepherding the students who are open for further contact.

3. That more students will be open to give us their contact information.

Thank you for standing with us, dear saints,

The serving saints in Poland
