## DETAILED PRAYER BURDENS

### International: India

- ☉ Pray for the further shepherding of the families gained during the 5-week propagation in Kolkata, Dehradun and Gurgaon that the Lord can open the way to take care of the newly contacted families for the Lord's testimony in these places.

### National: Full-time Training in Anaheim

- ☉ Pray for the FTTA and FTTA-MA graduates to continue pursuing Christ, serving the church, and closely following the ministry in their life after the training.

### Semi-annual Training (July 1-6)

- ☉ Pray for the saints to prepare their hearts in a spirit of prayer to be in a proper condition to receive the speaking in this training.
- ☉ Pray for the release of the present word to the Lord's recovery so that He can take another step in the formation of His army to fight for His interest on earth.

### North America College Training (July 14-20)

- ☉ Pray for the Lord to fully gain a new generation of college-age saints for God's eternal purpose of Christ and the church.
- ☉ Pray that the Lord would bind the strong man Satan and plunder his house of young vessels chosen by the Lord for His use.

### Local: Our Next Generation

- ☉ Pray for the continuation of the Lord's work in all our children and young people, that they would grow up in sanctified homes, and that many saints in the church would pick up the burden for them, exercising positive faith and regularly contacting them.

## PRAYER FOR NORTH AMERICA COLLEGE TRAINING

The second North America College Training (NACT) is upon us in a little over a month. The first of this one-week training took place in the summer of 2015, at which time it was decided that the event should occur once every four years in order to allow every college student among us the opportunity to participate in it at least once in their college years.

Approximately 1800 saints (with 1,200 college students) attended the training in 2015. Many students were deeply inspired to eventually enroll in the Full-time Training in Anaheim (FTTA) in the subsequent years.

This summer, 2800 saints (with 1,900 college students from 385 campuses and 41 countries) have registered to join the training—representing a 55% increase in enrollment compared to four years ago! This is a sign both of the Lord's abundant blessing upon His recovery and of a heart and hunger for God among a new generation of our young people.

We now bring to you our deepest burden related to this upcoming training, that is, the need for much and thorough PRAYER AT THE INCENSE ALTAR BEFORE THE THRONE. In sincerity and boldness, therefore, we ask that you join us in earnest and persistent intercession on behalf of the NACT this year. Specifically, we hope to have forty days (June 11—July 20, the last day of the training) of dedicated prayer on the part of

the churches and the saints in the following five general directions:

- ☉ To fully gain a new generation of college-age saints for God's eternal purpose of Christ and the church—Psa. 24:6; Eph. 1:9-10.
- ☉ To bind the strong man Satan and to plunder his house of young vessels chosen by the Lord for His use—Matt. 12:29; 2 Tim. 2:21.
- ☉ To prepare the hearts, strengthen the spirits, and preserve the health of the saints so that they can partake of the training—Eph. 3:16-17; 1 Thes. 5:23.
- ☉ To grant the serving saints the love, faith, grace, wisdom, energy, and endurance to minister to the young people—1 Thes. 1:3; 1 Tim. 2:1.
- ☉ To rule over all things in the outward environment (weather, transportation, food and lodging, safety) related to the training—Rom. 8:28; Eph. 1:22.

We believe that forty days of persevering prayer in one accord will yet again result in an unprecedented move of the Holy Spirit in this generation of college saints during the upcoming NACT. May the Lord arm the churches as watchtowers and empower many saints as watchmen to command God to bless
