WINTER GETAWAY TESTIMONIES

The following are some more nuggets of enjoyment from the YP who attended the Winter Getaway, which covered Joshua:

"People might wonder: why should I follow the rules that God told us to follow? I can just do whatever I want. Well, we sure have the ability to do anything. However, if we choose to believe in God, we need to obey Him. We do not follow God's rule only for ourselves, but also for God." - GC

"It was great that the families were there to support the kids and be involved with the young people." - AT

"What I really enjoyed was the special fellowship with brother Mark. It was needed for the YPs and he spoke it out of the Word perfectly. I really enjoyed brother Isaac's speaking too. He made it into story telling so it was easy for young people to understand and very enjoyable." - AZ

"I enjoyed at the Winter Getaway that all the YPs came together to have fun and learn more about God at the same time." - JM

"Our focus should always be the good land. We are like the people on the border of the good land and we just need to believe in God to take us into the all-inclusive Christ. When the report comes, we need to believe the good report, and not the evil report, trusting in Christ to take us through into the good land." - NC

"I enjoyed that we need to build our house on firm rock. Satan wants us to build our house on sinking sand while God will help us build it on rock. When we build our house on sand, it delays God's purpose which is exactly what Satan wants. Let's not delay God's purpose and build our house on firm rock." - JP

"I enjoyed that when we labor on Christ, there might not always be visible results but the produce is not only good for ourselves, but also for God and for others. To labor on Christ is a matter of gaining Christ as our enjoyment." - JC

"The Winter Getaway was very enjoyable. I learned lots of new things. One message was about Rahab and the two spies. Rahab took in the spies because she believed and wanted to receive the Lord. She was just waiting for someone to tell her about God. Similar to that, we should tell other people and our friends about the Gospel. They could be waiting for someone to tell them about the Lord!" - GH

"I enjoyed the special fellowship and ice breaker games." - OJ

Look for more testimonies from the Winter Getaway next week!
